

MT OSMOND JUNIOR GOLF FOUNDATION

The Mt Osmond Junior Golf Foundation has been established to facilitate the growth and development of the Junior Golf Program through donations from members and supporters.

Mt Osmond is already proud of the vibrant and strong group of junior golfers that it has developed. The Junior Fund aims to enhance the junior development program by providing opportunities for junior members of all abilities including;

- grass roots and beginners
- intermediate and development players
- elite players

To assist with the clubs fundraising efforts, the Mt Osmond Junior Golf Foundation has been registered with the Australian Sports Foundation (ASF). ASF project registration enables donations of \$2 and over to the ASF in support of the Mt Osmond Junior Golf Foundation project to be tax deductible.

The Club believes that encouragement and promotion of junior golf is an important part of the future of the club and golf in South Australia. A vibrant junior program adds vitality to the club and assists in attracting new members, juniors and their parents; it assists in promoting the club in the golfing and wider community as well as providing the club with enthusiastic adult members in the future.

Please find enclosed the form required to make a donation to the ASF in support of the Mt Osmond Junior Foundation. If you have any queries or would like more details please contact the club administration. For further details regarding tax deductibility please seek advice from your own tax professional.
